## Haley's Concert

For Haley's birthday, her mom, aunt, grandfather, and dad each gave her \$30. Haley decided she wanted to buy tickets to the Jesse Beaver concert with her birthday money. Tickets were \$45 each. Haley wanted to buy a ticket for herself, and one for her friend Kelsey. Haley bought the tickets on August 1, and the concert was exactly 3 weeks later. She and Kelsey couldn't wait!

Finally, the day of the concert arrived. The concert started at 7:30pm, but Haley and Kelsey were so excited, they got there 2 ½ hours early! Haley decided to buy popcorn with some of her remaining birthday money. The popcorn was \$2.25. Then the girls found a shop that was selling Jesse Beaver t-shirts for \$18.50. Haley bought a purple Jesse Beaver shirt. The girls found their seats and sat down 1 hour, 15 minutes before the concert started. When it was time for the concert to start, the area was full of screaming fans. The arena has 15, 278 seats, and every seat was filled! When Jesse Beaver came onstage, he said that he had a surprise for some special fans. He had backstage passes for 3 dozen fans. Kelsey and Haley were both chosen to get backstage passes! After the concert, the fans who received backstage passes were divided into 2 even groups and were taken backstage. Jesse Beaver signed autographs and took pictures with everyone. Haley and Kelsey agreed that they had the best time ever.

1. How much money did Haley get for her birthday?
2. How much money did Haley spend on concert tickets?
3. How many days after Haley bought the tickets did she have to wait for the concert?
4. What time did the girls get to the concert?

5. How much birthday money did Haley have left over after buying the tickets?
  
6. How much birthday money did Haley have left after buying the popcorn?
  
7. How much birthday money did Haley have left after she bought a shirt?
  
8. How many minutes before the concert started did the girls sit down?
  
9. Rounded to the nearest ten, about how many seats were in the arena?
  
10. How many backstage passes did Jesse Beaver give?
  
11. Did Jesse give out an even or odd number of backstage passes?
  
12. How many fans were in each group?
